RE: DISTRICT 6 FIRE MUTUAL AID ASSOCIATION
FILE #0007029332
APCO ID 04PWAP721230819

To Whom It May Concern:

In regards to Notice of Return Ref. # 6084877, please note the application has a second mobile area of operation (Location #8) that corresponds to the VHF frequency added to Location #1, antenna #2 for simplex operation of 154.30250.

Our calculations (per 90.205(d), show Location #8's mobile area of operation (14 kilometer radius) allows for a maximum ERP of 10.5 watts, which in turn, supports the applicant's request for 9.1 watts ERP.

Kindly review your records and grant the referenced application.

If you require additional information or detail, please do not hesitate to contact me.

Sincerely,

Rossana Sepulveda
